

Coloring & Activity Sheets Grades K-2

Have you ever canned any produce? Talk with children about canning, why it is done, and how, then have them color this sheet!

Source: <https://0.tqn.com/z/g/homeschooling/library/canningcolor.pdf>

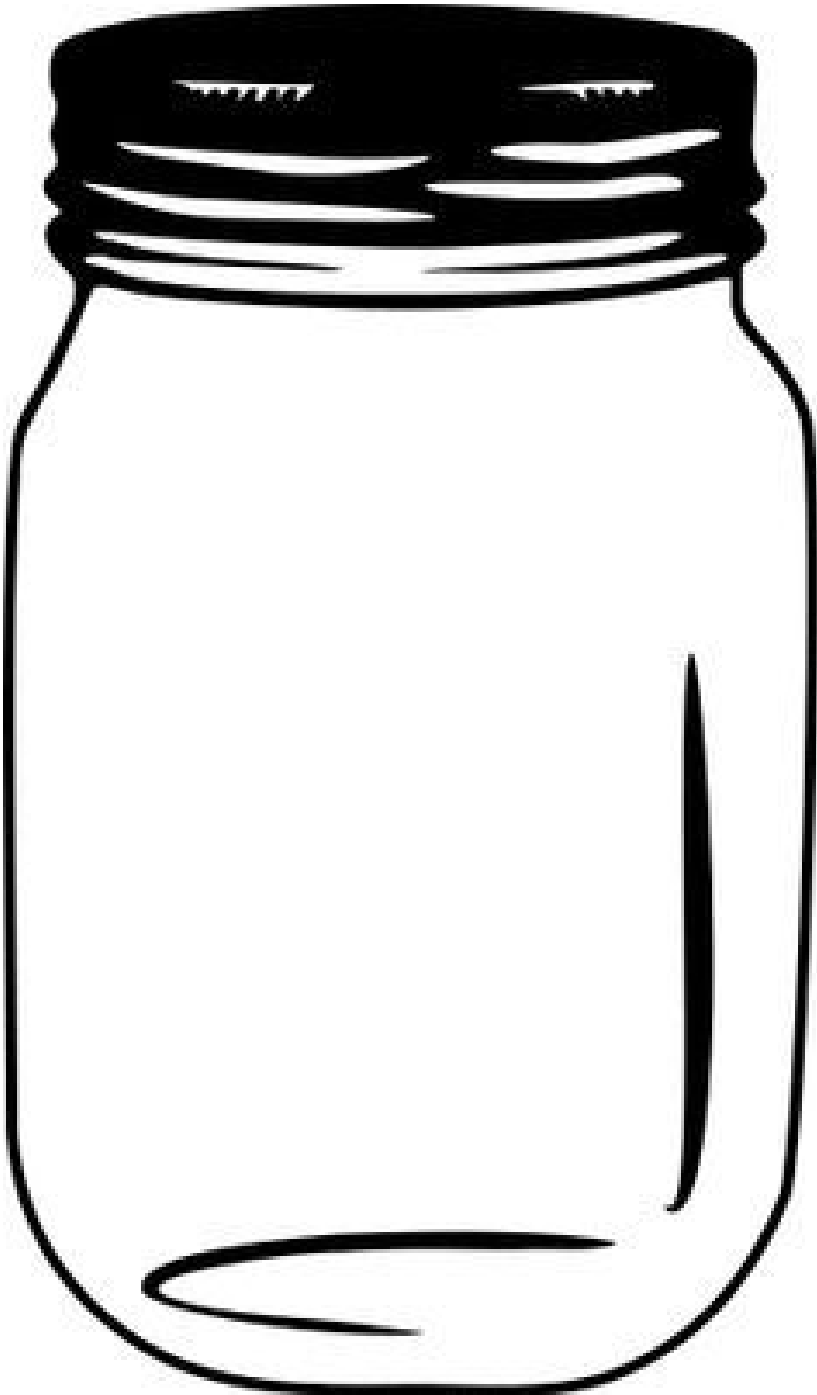

*We belong in the compost bin
so start colouring in*

<http://urbanfishfarmer.com>

NOTE: Only put paper egg cartons in the compost pile, not plastic nor Styrofoam!! And make sure any products that have any type of plastic coating are not put in the pile either!!

FILL YOUR JAR!

Draw and color your favorite summer produce inside this canning jar!
