

# IT'S HARVEST TIME

What did your garden grow? Go to your local park and recreation site or community garden, and see!

**Fall is an awesome time to celebrate harvests! Find some Fall Harvest Festivals to celebrate your community's bounty!**

Gardens in your community have been producing lots of nutritious vegetables and fruits all summer, and during fall, the bounty continues! Seek out some fun Fall Harvest Festivals in your community that celebrate seasonal apples, pears, squash, root vegetables and more. Search your local newspaper, community center bulletin board, or search the internet to find some local festivals in your neck of the woods!
